

**Notified Body 1777 – CPR**
**CERTIFICATE OF CONSTANCY OF PERFORMANCE
1777 - CPR – 15.07**

In compliance with the Regulation (UE) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonized conditions for the marketing of construction products and repealing Council Directive 89/106/EEC, it has been stated that the construction product

TTM MULTI STRAND POST TENSIONING KIT M-D-MX SERIES
Bonded and unbonded multi strand post tensioning system
for the prestressing of structures
multi strand anchorages, M15 D15 AND MX15 series,
active anchorages for bonded and unbonded post tensioning strands
(4M15, 7M15, 9M15, 12M15, 15M15, 19M15, 22M15, 27M15)
(4MX15, 7MX15, 9MX15, 12MX15, 15MX15, 19MX15, 22MX15, 27MX15)
and passive anchorages for bonded and unbonded post tensioning strands
(4D15, 7D15, 9D15, 12D15, 15D15; 19D15, 22D15, 27D15)

placed on the market by

TTM tension technology Srl
Via Oger Martin, 21 – 03024 Ceprano (FR) - Italy

and produced in the factories at

TTM tension technology Srl
Via Alberto da Giussano, 9 – 20011 Corbetta (Mi) - Italy

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The notified body – Laboratorio Prove Materiali, Politecnico di Milano - has carried out the assessment of the performance of the construction product on the basis of testing (including sampling), calculation, tabulated values or descriptive documentation of the product and the initial inspection of the manufacturing plant and of factory production control and performs the continuing surveillance, assessment and evaluation of factory production control and the audit—testing of samples taken at the manufacturing plant or at the manufacturer's storage facilities.

This certificate attests that all provisions concerning the assessment of constancy of performance carried out in compliance with the Regulation (EU) No 305/2011 and subsequent amendments and additions, and the performances described in the European Technical Assessment

ETA 15/0329 of 03/07/2015

under system 1+ were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 14 December 2015 and remains valid as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Milan, 14 December 2015

Revision No. 0
